Profile

I'm a designer who creates clean, modern work across 3D, social media visuals, and motion design. I enjoy solving visual problems independently, keeping my work clear and purposeful, and bringing ideas to life efficiently.

Experience

- **Glass House – Graphic Designer (Remote)**
  (2021–2022)

  Created social media content and graphics for digital campaigns. Delivered projects remotely while maintaining brand consistency.

- **Kapital Bank – Graphic & Motion Designer**
  (2021–2022)

  Produced motion graphics and visual content for corporate presentations and social media campaigns. Ensured all designs adhered to corporate identity guidelines.

- **YapıKredi Bank – Graphic & Motion Designer**
  (2024–2025)

  Developed social media visuals, 3D assets, and motion graphics for promotional campaigns.Collaborated with marketing teams to enhance brand engagement and digital presence.

- **Autolux Azerbaijan – Video Editor & Graphic Designer**
  (2024–2025) (parallel with YapıKredi)

  Produced engaging car-related video content for visual storytelling to boost audience interaction.

- **TRENDERS - Motion Designer**
  (2026)

  Worked on motion design, video editing, and visual content for social media and digital campaigns. Focused on creating modern, engaging, and attention-driven visuals for brands.

Education

Azerbaijan Technical University – Bachelor's Degree in Energy Engineering
(2020 – 2024)

Comprehensive training in energy systems, engineering principles, and technical problem-solving.Developed analytical and project management skills applicable to creative and technical fields.
